

2K STRAP HOIST

⚠️ WARNING

Cancer and Reproductive Harm: www.P65Warnings.ca.gov

KEY FEATURES

- ✓ ASME B-30-21 compliant
- ✓ 125% working load tested
- ✓ Hi-viz yellow strap
- ✓ Interlocking pawl lever system
- ✓ Replacement parts readily available
- ✓ Hot stick operable version

The Slingco 2K strap features a hi-viz yellow strap for easy identification. In single line mode capacity is 1K. When used in double line mode capacity is 2K. The 2k Strap Hoist has a pressure die cast drum for professional look and smooth finish to minimize the risk of strap fraying.

The strap hoist has three operating positions: lift/pull, lower/release, and freewheeling.

Dimensions

The figures shown are indicative only. Fully dimensioned data-sheets are available on request. Nominal figures/actuals are as per data-sheet with tolerances of +/-10%. Please contact us if you have any questions.

Range dimension overlaps If the cable, rope or hose you have lies where ranges overlap, e.g. 1" when sizing is 0.5-1.00 and 1.00-1.5 we recommend that you select your cable grip to achieve break load first. If tensile strengths are equal or both adequate, choose the smaller of the two. Please contact us if you have any questions.
