

## ANCHOR BUSTER SAFETY & INFORMATION GUIDE

SLINGCO PART NO. SAE14487

### **⚠ ATTENTION**

**READ** and **UNDERSTAND** all of the instructions and safety information in this manual before operating or servicing this tool.

Failure to read and understand these warnings and safe handling instructions could result in severe personal injury or death.

**KEEP THIS MANUAL WITH TOOL.**

Thank you for using Slingco® products. This manual must be read and understood prior to operating this product. Special attention should be paid to the section '**Safety Information**'.

This manual should be kept available to all operating and maintenance personnel.

Additional or replacement manuals may be obtained at no charge by contacting your local Slingco office.

## SAFETY INFORMATION

### **WARNING** PINCH POINT HAZARD

- Keep hands away from all potential pinch points.
- Serious injury or dismemberment may occur.

### **WARNING** MUST USE EYE PROTECTION

- **DO NOT** operate without eye protection.
- Failure to wear eye protection could result in serious eye injury from flying debris.

### **WARNING** GLOVES REQUIRED

- **DO NOT** operate without proper hand protection.

### **WARNING** HARD HAT REQUIRED

- **DO NOT** operate without proper head protection.

### **WARNING** SAFETY SHOES REQUIRED

- Safety shoes required when using this product.

### **WARNING** ELECTRICAL SHOCK HAZARD

- This tool is **NOT** insulated for use on or near energized conductors.
- Failure to observe this warning could result in severe injury or death.

## WORK AREA SAFETY

1. Keep the area around the equipment clean and free of obstruction.
2. Bystanders should stay clear of the work area to ensure safety.

## PERSONAL SAFETY

1. Stay alert while using the equipment to prevent serious injury. Do not use under the influence of drugs, alcohol or medications.
2. Do not wear loose hair or clothes that may get caught while the equipment is in operation.
3. Work safely. Ensure firm footing, be properly secured, and do not over-extend yourself while operating equipment.

## SAFETY INFORMATION (CONT.)

### TOOL USE AND CARE

1. **DO NOT** use this tool if there are any abnormalities or damage to any of its components.
2. Inspect the tool before and after every use. Do not use this tool if it is damaged in any way. Ensure that all pins are secure.
3. When having the tool repaired, always use factory Slingco replacement parts. Tools must be serviced and/or repaired by Slingco or a factory authorized service center.

## DESCRIPTION

Slingco's Anchor Buster is designed to bust open expanding anchors. Please refer to anchoring manufacturer on how to install anchor.

## SPECIFICATIONS

- Weight: 26.60 lb (12.05 kg)
- Length: 10 ft (3.05 m)

## OPERATION

- Make sure that both sections of the anchor buster are wrapped around anchor rod.
- Expand the anchor by hitting the top of the expanding anchor with the anchor buster.
- For best results the anchor buster should be rotated around the anchor during the expanding process of the expanding anchor.
- Anchor buster can also be used to tamp dirt when backfilling the hole.

## PARTS LIST

Item	Slingco Part Number	Description	Qty
1	SAN12680	Replacement Anchor Busting Tamping Head	1
2	SAN14788	Replacement hardware	1

Torque to 25 Nm & add red Loctite

## TAMPING HEAD INSTALLATION

Cut 2" from the bottom of the fiberglass of the anchor buster (see below). Use the replacement casting to mark where the new holes will be. Make sure that the holes will be in the center of the fiberglass tube. Remove the replacement head from the fiberglass. Using a 10 mm drill bit, drill the 2 holes. Place the replacement head back on the fiberglass aligning the holes. Secure the replacement head by tightening down the hardware to 25 Nm and adding red Loctite.

*Note: For removal of nuts and bolts please refer to Loctite recommendations.*

## **⚠ ATTENTION**

**READ** and **UNDERSTAND** all of the instructions and safety information in this manual before operating or servicing this tool.

Failure to read and understand these warnings and safe handling instructions could result in severe personal injury or death.
